Hausmann Industries is pleased to present the latest edition of the PROTEAM™ catalog, representing the full line of athletic training room furnishings and products focused on the medical and rehabilitation markets. This catalog features innovative designs and product enhancements that meet the evolving roles and changing settings of today's athletic trainer - such as Hausmann's tablet-based facility design program using the MagicPlan™ app (see page 7).

For over 15 years, PROTEAM has been the choice of athletic trainers for their training room furnishings. PROTEAM products feature durable, maintenance-free laminate surfaces for years of worry-free use. Our rugged Pro-Form vinyl with two-inch thick high-density foam tops ensures the extra durability needed in high-volume settings. Standard 3mm edging on all taping stations, treatment tables, carts, and cabinetry provides unparalleled durability.

Our modular taping stations fit any space and need. With exceptional versatility, modules can be added, changed, or relocated as necessary. PROTEAM offers a wide range of treatment tables, from traditional open storage tables to cabinet-style tables featuring optional backrests and elevating split legs. Add embossed or debossed logos to any taping station, treatment table or stool to personalize athletic training rooms. Logos are now available on mat platforms, featuring our new PROPRINT™ technology.

PROTEAM is the market leader - from taping stations and treatment tables to stools, carts, and cabinets - backed by over 60 years of manufacturing expertise.
