When outfitting your restrooms, it's essential to provide top-notch accommodation for all your guests, including the littlest ones. The Horizontal Baby Changing Station is your ultimate solution for combining safety, convenience, and style. This superior changing station is packed with features designed to make life easier for parents and ensure the safety and comfort of infants. Imagine the relief on parents' faces when they see dual side hooks that securely hold a purse and diaper bag, keeping their items off the floor and within easy reach. The built-in wide liner dispenser, which holds 100 easy-to-access liners, makes diaper changes a breeze, ensuring a clean surface for every use.

Safety is paramount, and our baby changing station does not disappoint. Each station is equipped with a heavy-duty safety strap and a high-visibility slide lock, providing peace of mind for parents. The concave bed surface cradles infants securely, preventing them from rolling off, and can support up to 55 pounds. Conforming to global safety standards, this station also includes all necessary mounting hardware and signage, including an English and Braille "Never Leave Child Unattended" sign, making it a thoughtful and inclusive addition to any restroom. The Horizontal Baby Changing Station is more than just a necessity; it's a testament to your commitment to quality and care for all your guests.
