

ALP471-20-WHI-M

25-LITER STAINLESS STEEL TRASH CAN

Upgrade your space with our modern, Alpine 25-Liter Stainless Steel Trash Can, designed for both style and practicality.

Crafted from durable stainless steel with a sleek white finish, this bin blends seamlessly into any modern home or office. The included plastic liner makes it ideal for making waste disposal orderly, ensuring easy cleaning and maintenance.

Should any spills occur, it will contain them until they can be attended to without ruining your floors. With a compact yet generous 25-liter capacity, this trash can provide ample room for daily waste while maintaining a clean, minimal aesthetic.

FEATURES

Durable: Made from high-quality Stainless Steel for long-lasting use and corrosion resistance.

Design: Its sleek white finish complements any interior décor, from kitchens and offices to lobbies and salons.

Capacity: The 25-liter volume provides plenty of space for daily disposal needs.

Easy to Clean: Its smooth surfaces and removable plastic liner make cleaning simple and hygienic.

Compact Footprint: The space-saving design fits conveniently in smaller areas without compromising capacity.

Stable: Its sturdy build with a balanced base and manageable weight makes for easy repositioning.
