## Gauzes

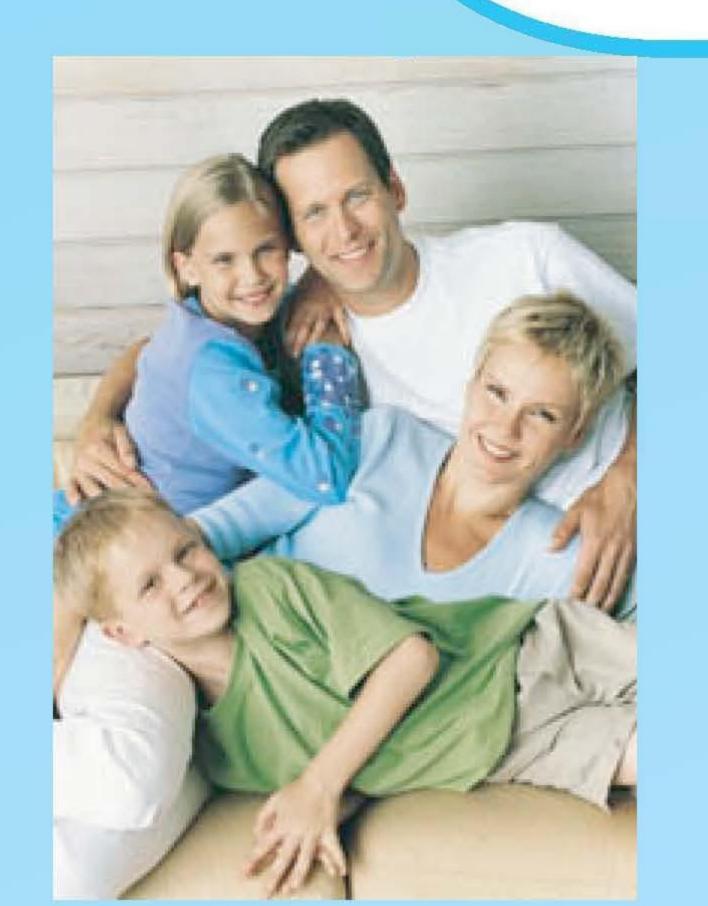

## Vital Gauze

Rayon/polyester blend sponges which provide improved strength and absorbency compared to traditional gauze.

- Recommended and designed for absorbing and prep cleaning.
- Over 40% more absorbent than 12-ply gauze sponges.
- · Highly efficient in fluid removal and 20 times less linting.

## 6-Ply Dressings

Non-woven sponges made from rayon/polyester blend.

- Provides superior protection with increased absorption capacity.
- Easy-to-use non-linting sponges ideal for post-operative dressings.
- 6-ply saves time and cost by using fewer non-woven sponges per procedure compared to cotton filled sponges.
