

## Devon™ Surgical Skin Markers

Sterile, single use markers designed to meet the specialized needs of today's surgeons.

**COVIDIEN**

*positive results for life™*

Non-toxic, non-smearing & non-irritating

All Devon™ skin markers are non-toxic, non-smearing with non-irritating Gentian Violet ink. A wide variety of options are available: fine tip, ruler cap, dual tip, with flexible ruler and with labels.

Devon™ surgical markers are top quality, sterile and single-use products.

Non-toxic, non-smearing, non-irritating Gentian violet ink

Regular, fine or dual tip markers

Patented 'ruler cap' for measuring the surgical site

Sterile labels included with markers as indicated

Flexible rulers (Flexi-Ruler™\*) available

Devon™ surgical skin markers help your facility meet the needs of correct site marking.
