

# CONNECTED

## Maximizing EMR/EHR Efficiency

- 1LOOK Feature:**
- Weight
  - Height
  - Body Mass Index displayed onscreen simultaneously.

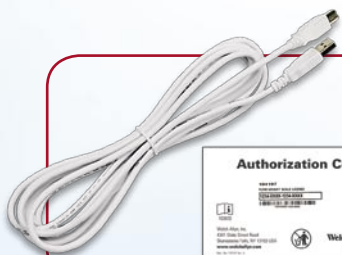

**DETECTO's partnership with Welch Allyn** allows you to easily connect select DETECTO medical scales with Welch Allyn Connex® Vital Signs Monitors and Integrated Wall Systems for efficient EMR/EHR. This connectivity solution allows capture and viewing of DETECTO's exclusive **1LOOK** weight, height, and BMI measurements and automated data transfer to EMRs.

- Eliminate Documentation Errors
- Digital Speed and Accuracy
- Improved Patient Care Process

Scan this QR code to watch the connectivity video or find out more online:
