

# U60

Diagnostic Ultrasound System

Clear. Compact. Comprehensive

# EDANUSA

# U60 Diagnostic Ultrasound System

With its compact design, user-friendly operation and advanced imaging technologies, the U60 diagnostic ultrasound system offers a broad range of clinical applications to address all of your imaging needs.

## Compact Design

- Compact, lightweight design facilitates mobility
- Integrated battery enables operation anywhere
- Large 15" monitor for easy viewing

## Comprehensive Clinical Applications

- Full set of transducers to support all applications

## Advanced Imaging Technologies

- Tissue Harmonic Imaging
- Spatial Compounding Imaging
- Speckle Reduction Imaging

## User-Friendly Operation

- Backlit, easy-to-use control panel
- Customizable user defined controls
- Large capacity data storage

# Excellent Image Quality

The U60 provides excellent detail, contrast resolution and image uniformity without sacrificing penetration. Excellent color and Doppler sensitivity easily detects small, low flow vessels.

## About Edan USA

Edan USA is a healthcare company dedicated to improving the human condition around the world by delivering value-driven, innovative and high-quality medical products and services. For over 20 years, Edan USA has been pioneering a comprehensive line of medical solutions that address a broad range of healthcare practices including:

- Diagnostic ECG
- Ultrasound imaging
- In-Vitro Diagnostics
- Patient Monitoring
- Point-of-Care Testing
- Veterinary
- OB/GYN

Healthcare professionals around the world depend on Edan USA's breakthrough medical technologies and outstanding customer support.
