

KIMBERLY-CLARK* KIMVENT* Oral Care q4 Kit, q2 Kit & Individual Components/Packs

Kimberly-Clark now offers a portfolio of oral care solutions, designed to provide comprehensive oral care for both q4 and q2 protocols.

Kimberly-Clark is addressing the known risk factors for VAP by offering a complete portfolio of KIMVENT* Oral Care Kits, individual components and packs designed by nurses, for nurses, to support both individual patient needs and hospital oral care protocol.

KIMVENT* Oral Care Kits are complete with everything needed to provide comprehensive and consistent oral care, recognized as critical for preventing VAP by such leading healthcare organizations as the CDC¹, and AACN².

KIMVENT* Oral Care Kits feature:

- **Innovative Self-Cleaning Covered Yankauer (featuring technology from BALLARD* TRACH CARE*)**
- **Ergonomically Designed Suction Handle**
- **Y-Connector for Single Suction Canister Use**
- **4 Suction Swab Procedure Packs with mint-flavored 1.5% H₂O₂ and mouth moisturizer**
- **2 Toothbrush Procedure Packs with antiplaque solution and mouth moisturizer**
- **2 Flexible Suction Catheters**
- **6 Suction Swab Packs with Alcohol-Free Mouthwash (Available in the KIMVENT* Oral Care q2 Kit only)**

Order of Use Guide available on KIMVENT* q2 kit only

Based on nurses' input, our q2 kit also features an "Order of Use Guide" right on the package, taking the guess work out of providing oral care.

Additional oral care products available to meet the needs of your patients include:

- DENTASWAB* Oral Care Kits and Components
- READY CARE* DENTASWAB* Swabs

The KIMBERLY-CLARK* KIMVENT* Oral Care Kit is just one of the clinical solutions that you can depend on to meet the demands of your fast-paced world.

Whether your needs involve preventing healthcare-associated infections or finding surgical and digestive solutions, with Kimberly-Clark you'll always have one less worry.
