

3M™ Aura™ Health Care Particulate Respirator and Surgical Mask 1870+

Take Your Respiratory Protection Personally

Protect yourself. Protect your patients.

Patient Safety is your first priority. But it's just as important to take care of yourself, so you can continue to care for others. The 1870+ respirator takes convenience and comfort to the next level with a new contoured nose panel and chin tab. This premium comfort respirator has 3M proprietary filter media designed for ease of breathing.

- Highest level of Fluid Resistance*
- Soft nose foam and smooth inner materials
- Flat fold design offers convenient storage and portability
- Individual packaging helps protect the respirator from contamination

*According to ASTM F1862 at 160 mm Hg

3M™ Aura™ Health Care Particulate Respirator and Surgical Mask 1870+

WARNING

These respirators help protect against certain airborne particulates. Before use, the wearer must read and understand the User Instructions provided as a part of the product packaging. A written respiratory protection program must be implemented meeting all the requirements of OSHA 29 CFR 1910.134 including training, fit testing and medical evaluation. In Canada, CSA standards Z94.4 requirements must be met and/or requirements of the applicable jurisdiction, as appropriate. Misuse may result in sickness or death. For proper use, see package instructions, supervisor, or call 3M Health Care Helpline in USA at 1-800-228-3957 and in Canada at 1-800-563-2921.
